AN EXCLUSIVE DEVELOPMENT OF 5 DETACHED EXECUTIVE HOMES

Loweth Grove, Trematon

Nestled in the charming area of Saltash in Cornwall, Trematon offers a perfect blend of tranquillity and modern convenience. This picturesque locale is more than just a place to live; it's a thriving community rich in history, natural beauty, and local amenities, making it an ideal destination for home buyers seeking a balanced lifestyle.

Surrounded by rolling hills and stunning landscapes, Trematon is a haven for nature lovers. Enjoy scenic walks, cycling paths, and outdoor adventures in the nearby Tamar Valley, an Area of Outstanding Natural Beauty (just 5 miles away). The proximity to the River Tamar (less than 2 miles from Trematon) provides opportunities for boating, fishing, and peaceful riverside strolls.

Immerse yourself in the rich history of Trematon Castle, a historic landmark located within Trematon itself, offering breathtaking views and a glimpse into the past. Saltash, known as the "Gateway to Cornwall," is a vibrant town (just 2 miles from Trematon), boasting a cultural scene with local festivals, artisan markets, and community events that bring neighbours together.

Trematon offers the best of both worlds: a peaceful rural setting with easy access to essential amenities. The nearby town of Saltash provides a range of shops, cafes, and restaurants, catering to all your daily needs. Excellent transport links, including the Tamar Bridge (just 3 miles away), and Saltash railway station (2 miles from Trematon), ensure seamless connectivity to Plymouth and beyond, with Plymouth city centre (only 8 miles away).

Families will find a range of well-regarded schools and educational facilities in the area, fostering a supportive environment for children to thrive. The strong sense of community in Trematon is evident through its friendly residents and active local groups, making it a welcoming place to call home.

Discover Trematon, where every day feels like a retreat, and every moment is an opportunity to embrace the beauty and warmth of Cornwall. Welcome to your new home.

NOTES:

Choice of finishes and fitments detailed in this specification are only available where stage of construction permits.

Under the provision of the Property Misdescriptions Act 1991 prospective purchasers are advised that the design dimensions quoted are approximate having been prepared from Architect's working drawings.

Variations may occur in construction due to tolerances on materials or working practices. Purchasers should, therefore, satisfy themselves at the time of construction as to the actual finished dimensions.

Elevational treatments, window arrangements and materials may vary from plot to plot.

Requests for alterations which would affect the external appearance of a property cannot be accommodated as such alterations could require further planning approval and might adversely affect the carefully considered and cohesive design concept for the development.

These particulars are produced in good faith and believed to be correct at the time of going to print. They do not constitute any part of a contract and purchasers are advised to check salient details for themselves.

Prior to exchange of contracts, purchasers will be required to inspect the working drawings for the property they are purchasing and confirm that they are satisfied regarding the details.

Established in 1974 and with nearly 50 years' experience in delivering high quality new homes, Pearce Fine Homes has for many years been a leader in incorporating modern design and technologies in new homes. Our aesthetically pleasing homes complement the surrounding area and combine contemporary finishes with open plan living spaces to suit modern family lifestyles. Working closely with local professionals and suppliers, we continue to source quality materials and fitments to build energy efficient homes that reduce carbon emissions and support a sustainable future.

Now more than ever, the future of property development has come into focus. As a new home builder, we have an important role to play in combatting climate change by reducing our impact and safeguarding our environment. That is why we are making sure that sustainability is at the heart of our projects, resulting in our build processes becoming greener.

We are committed to reducing our carbon footprint wherever possible, whilst providing each homeowner with economic and sustainable homes for the future. As a family-run business, we are delighted to be making our contribution to tackling climate change and consider that collaboration is essential for successful and sustainable regeneration.

“ Pearce Fine Homes understands the importance of building sustainable developments for the future. As a family business, our aim is for our legacy to last so local people can continue to benefit from and enjoy sustainable communities ”
